MADE IN GERMANY

# 2-WHEEL TROLLEY

# TR 1

**Designed for maximum convenience and efficiency, the 2-Wheel Trolley is the perfect companion for your orbital welding equipment. Built to support and transport all our power sources, including water coolers, this trolley ensures seamless mobility on-site and during transport.**

## KEY FEATURES

- **Versatile Equipment Support:** Securely holds all OrbitalService power sources with or without water cooler.
- **Comprehensive Accessory Set:** Includes holders for closed and open weld heads, an RC Mini controller, a tool plate, and two cable roll holders to neatly organize all cables and hoses.
- **Robust & Maneuverable:** Equipped with two strong, puncture-proof wheels (solid construction with no air or inner chamber) and ergonomic bar for effortless movement and handling.
- **Gas Cylinder Ready:** Designed to carry a large gas cylinder for added convenience.
- **Built for the Field:** Practical, durable, and easy to use, making it the ideal choice for on-site operations and transportation.

## TECHNICAL DATA

- Trolley dimensions (W x H x D):
  - 80 x 132 x 62 cm / 31.5 x 52 x 24.4" (without equipment)
- Packing dimensions (W x H x D):
  - 77 x 53 x 20 cm / 30.3 x 20.9 x 7.9" (trolley packing box)
  - 31 x 31 x 23 cm / 12.2 x 12.2 x 9.1" (accessories packing box)
- Weight: 45 kg / 99.2 lbs
